The March 3rd, 2025, deadline is your last chance to make RRSP contributions that count toward your 2024 tax return. Every dollar you contribute lowers your taxable income, which could mean a bigger tax refund or a smaller tax bill. Plus, your savings grow tax-free until you withdraw them in retirement!

MEET HELEN SMITH

Helen works out of our MacGregor branch but was born and raised in the Austin area. Helen worked for 10 years as a hairstylist while starting her own family, which led to many connections in the area. She completed college courses related to small business accounting to help with her and her husband's farm and small business venture. Helen is now a Financial Experience Officer at Stride Credit Union, working in retail lending, offering product knowledge and assistance.

Helen notes that she loves serving such a friendly town and the surrounding area. The communities she's involved in show passion for togetherness and growth, whether it be personal, education or commercial. She enjoys building relationships with Stride members and seeing the confidence level change when members come in with a dream, knowing she can help bring it to life for them whether it be their first vehicle, a mortgage or helping them with any account products.

A fun fact about Helen is the strong ties she has to the Carberry area, showing the connections that people make when living in small towns. Her husband used to work in the Carberry area, she has a large group of family and friends there, and they enjoy stopping in at the Casino near Carberry once in awhile to have a little fun.
