

# Journey Wealth Set to Expand

---

Since the fall of 2020, Journey Wealth has been helping clients plan for all of life's possibilities. Starting in early 2023, they will be improving their clients' financial well-being from their new location at Stride Credit Union's current West End branch.

Stride's West End branch staff and members (Unit C – 2259 Saskatchewan Ave W, Portage la Prairie) will relocate to the Royal Road location (19 Royal Rd N, Portage la Prairie) on November 4th, 2022, where they will continue to provide the exceptional level of service members have come to expect.

Stride Credit Union and Journey Wealth are excited about the upcoming change and look forward to helping current and future clients with their financial needs.
