

Stride Golf Tournament raises \$25,000 for STARS Air Ambulance!

Last week was our Stride for STARS Fundraising Golf Tournament. It was an overwhelming success thanks to our sponsors, the golfers, Robby and his crew at the Portage Golf Club, and our volunteers. As a result, we are very excited to announce that we were able to present STARS Air Ambulance with a **cheque for \$25,000!**

STARS Air Ambulance is a vital service in rural Manitoba, so it was an easy choice to support them again at the 2025 edition of our fundraising tournament.

THANK YOU TO OUR SPONSORS!

Meet Stanley!

At 6 years old, this lovable labradoodle is still full of energy and always up for an adventure. With his goofy personality and big heart, Stanley's favourite place is wherever his people are. His human, Petrina, is a Member Experience Supervisor at Stride—and just like she takes care of our members, she makes sure Stanley is well looked after, too.

From surprise vet visits to unexpected treatments, pet insurance through Stride helps make sure your furry family members are protected. **Stride members get a preferred rate of 7% off**, so you can focus on what really matters: the cuddles.

There is Still Time to Win Big With a Stride Youth Account!

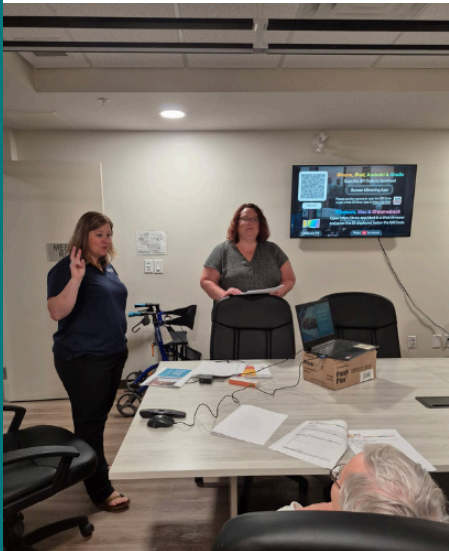

If your kid's sign up for a Stride Youth Account before July 31st, they'll be entered to **win an iPad!**

Stride Youth Accounts come with no monthly fees, 60 free transactions a month, and tools that help kids learn the value of smart saving and spending. It's a simple way to build confidence and healthy money habits from an early age. Whether they're scoring goals or saving for something big, Stride is here to support them every step.

We're automatically entering all current Youth Account holders into the draw, so you're all set if you are already a member!

This month, Kristine and Michelle facilitated a Basic Budgeting Each One Teach One workshop at Kinsmen Kourts in Neepawa, helping seniors gain confidence in managing their money.

At Stride, we believe financial wellness starts with knowledge. Through free programs like EOTO, our staff volunteers are helping bring accessible, unbiased financial education to communities across the region.
