## Stride Credit Union is coming to Carberry!

Stride Credit Union is pleased to announce the purchase of an established building in Carberry, located on Main Street.

The new branch will mark **Stride's first physical location in Carberry**, expanding our reach and bringing modern, member-focused financial services to even more Manitobans.

Planning and design work for the Carberry branch will begin immediately, with updates to follow as we move toward our opening in Summer 2026.

Alongside the new Stride branch, **Journey Wealth** will also open an office in the same building, expanding access to personalized investment and financial planning services throughout the region.

With more than 20,000 members across Manitoba, Stride remains committed to strengthening access to financial services built on cooperative values, personalized advice, and community investment.
