BARBECUES**

Stride Fundraising BBQs

This summer, Stride donated \$7,900 to local organizations from our fundraising barbecues.

Stride Credit Union hosted six fundraising BBQ lunches in Portage, Austin, MacGregor, Neepawa, Gladstone, and Carberry. Thanks to the generous support of our members, local residents, and Stride staff, we raised around \$4,000 to benefit community organizations.

Stride proudly topped up the proceeds to make a greater impact. The final donations included:

- **\$1,500 to the Austin Community Centre**
- **\$1,200 to the Tiny Taters Childcare Cooperative**
- **\$1,600 to the Gladstone Fire Department**
- **\$1,200 to the North Norfolk Childcare Cooperative**
- **\$1,200 to the Neepawa Salvation Army**
- **\$1,200 to the Big Brothers Big Sisters Portage Chapter**

These summer BBQs not only brought people together but also reinforced Stride's ongoing commitment to supporting the organizations that strengthen the communities we serve.

Today is International Credit Union Day!

Stop by any of our branches today to celebrate International Credit Union Day and enjoy some refreshments, and to enter our giveaway draw! While our Austin branch remains closed for renovations, members can pop by our MacGregor branch for an Austin giveaway draw.

This year marks the 77th anniversary of this annual event to commemorate the credit union movement's impact and achievements.

Cyber Security Awareness Month

October is Cyber Security Awareness Month. Throughout the month, we'll be sharing essential tips on protecting your personal and financial information on our social media platforms. At Stride Credit Union, we're committed to keeping your data secure, whether you're banking online or in person.

Do you know that you can set up a security code a unique identifier, known to you only, to verify your identity when you call us? This code can be used in place of requesting your personal information and/or asking verification questions, allowing us to verify you safely and quickly. The security code can also protect you from unauthorized access to your account(s) in situations involving a compromised phone.

We encourage you to be cautious and vigilant with your personal information, ensuring you use a security code to enhance your account protection.
