

# Step by Step Guide to Update Your Contact Information

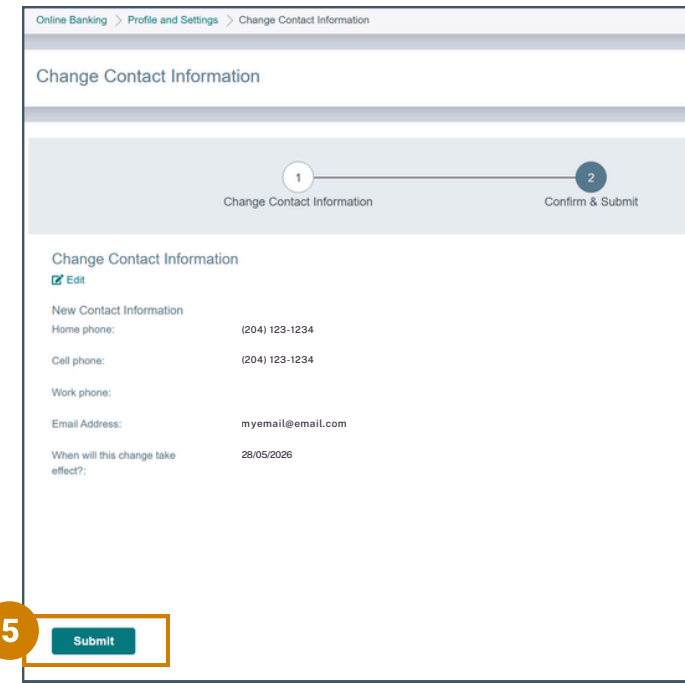

We're launching a new banking platform. To ensure a smooth transition, verify your contact details with us today.

Login to the desktop version of Stride Online Banking (not the mobile app) and click on Profile & Settings > Change Contact Information.

Verify that your current cell phone number and email address are correctly entered in the designated fields. If updating your information, you will have to complete a 2-step verification.

Once you have confirmed or updated your phone and email to your current contact information, click submit to save changes.
